

MD/MBA

Quick Facts

- The 18-month MBA program is condensed to 12 months
- MBA classes begin in mid-July each year
- Admitted MD students must apply to both the MD Plus Program & the Full-Time MBA Program
- MCAT is accepted; GMAT/GRE not required
- All those offered admission are automatically considered for scholarship opportunities from the College of Medicine and Mays Business School
- Application deadline: April 5, 2021

Student Profile

Ahad Azimuddin, MBA Class of 2020, MD Class of 2023, chose to pursue an MBA "to gain a more interdisciplinary mindset in helping solve the challenges of healthcare delivery in places of need."

Gaining a better knowledge of economics, finance, and operations helps me think of new ways to shape my dream to make a difference, whether it be through helping commercialize medical technology or running my own practice."
